

The disappearing of

SAFEYA'S

toys

SAFEYA

is a little girl who lives by the sea.

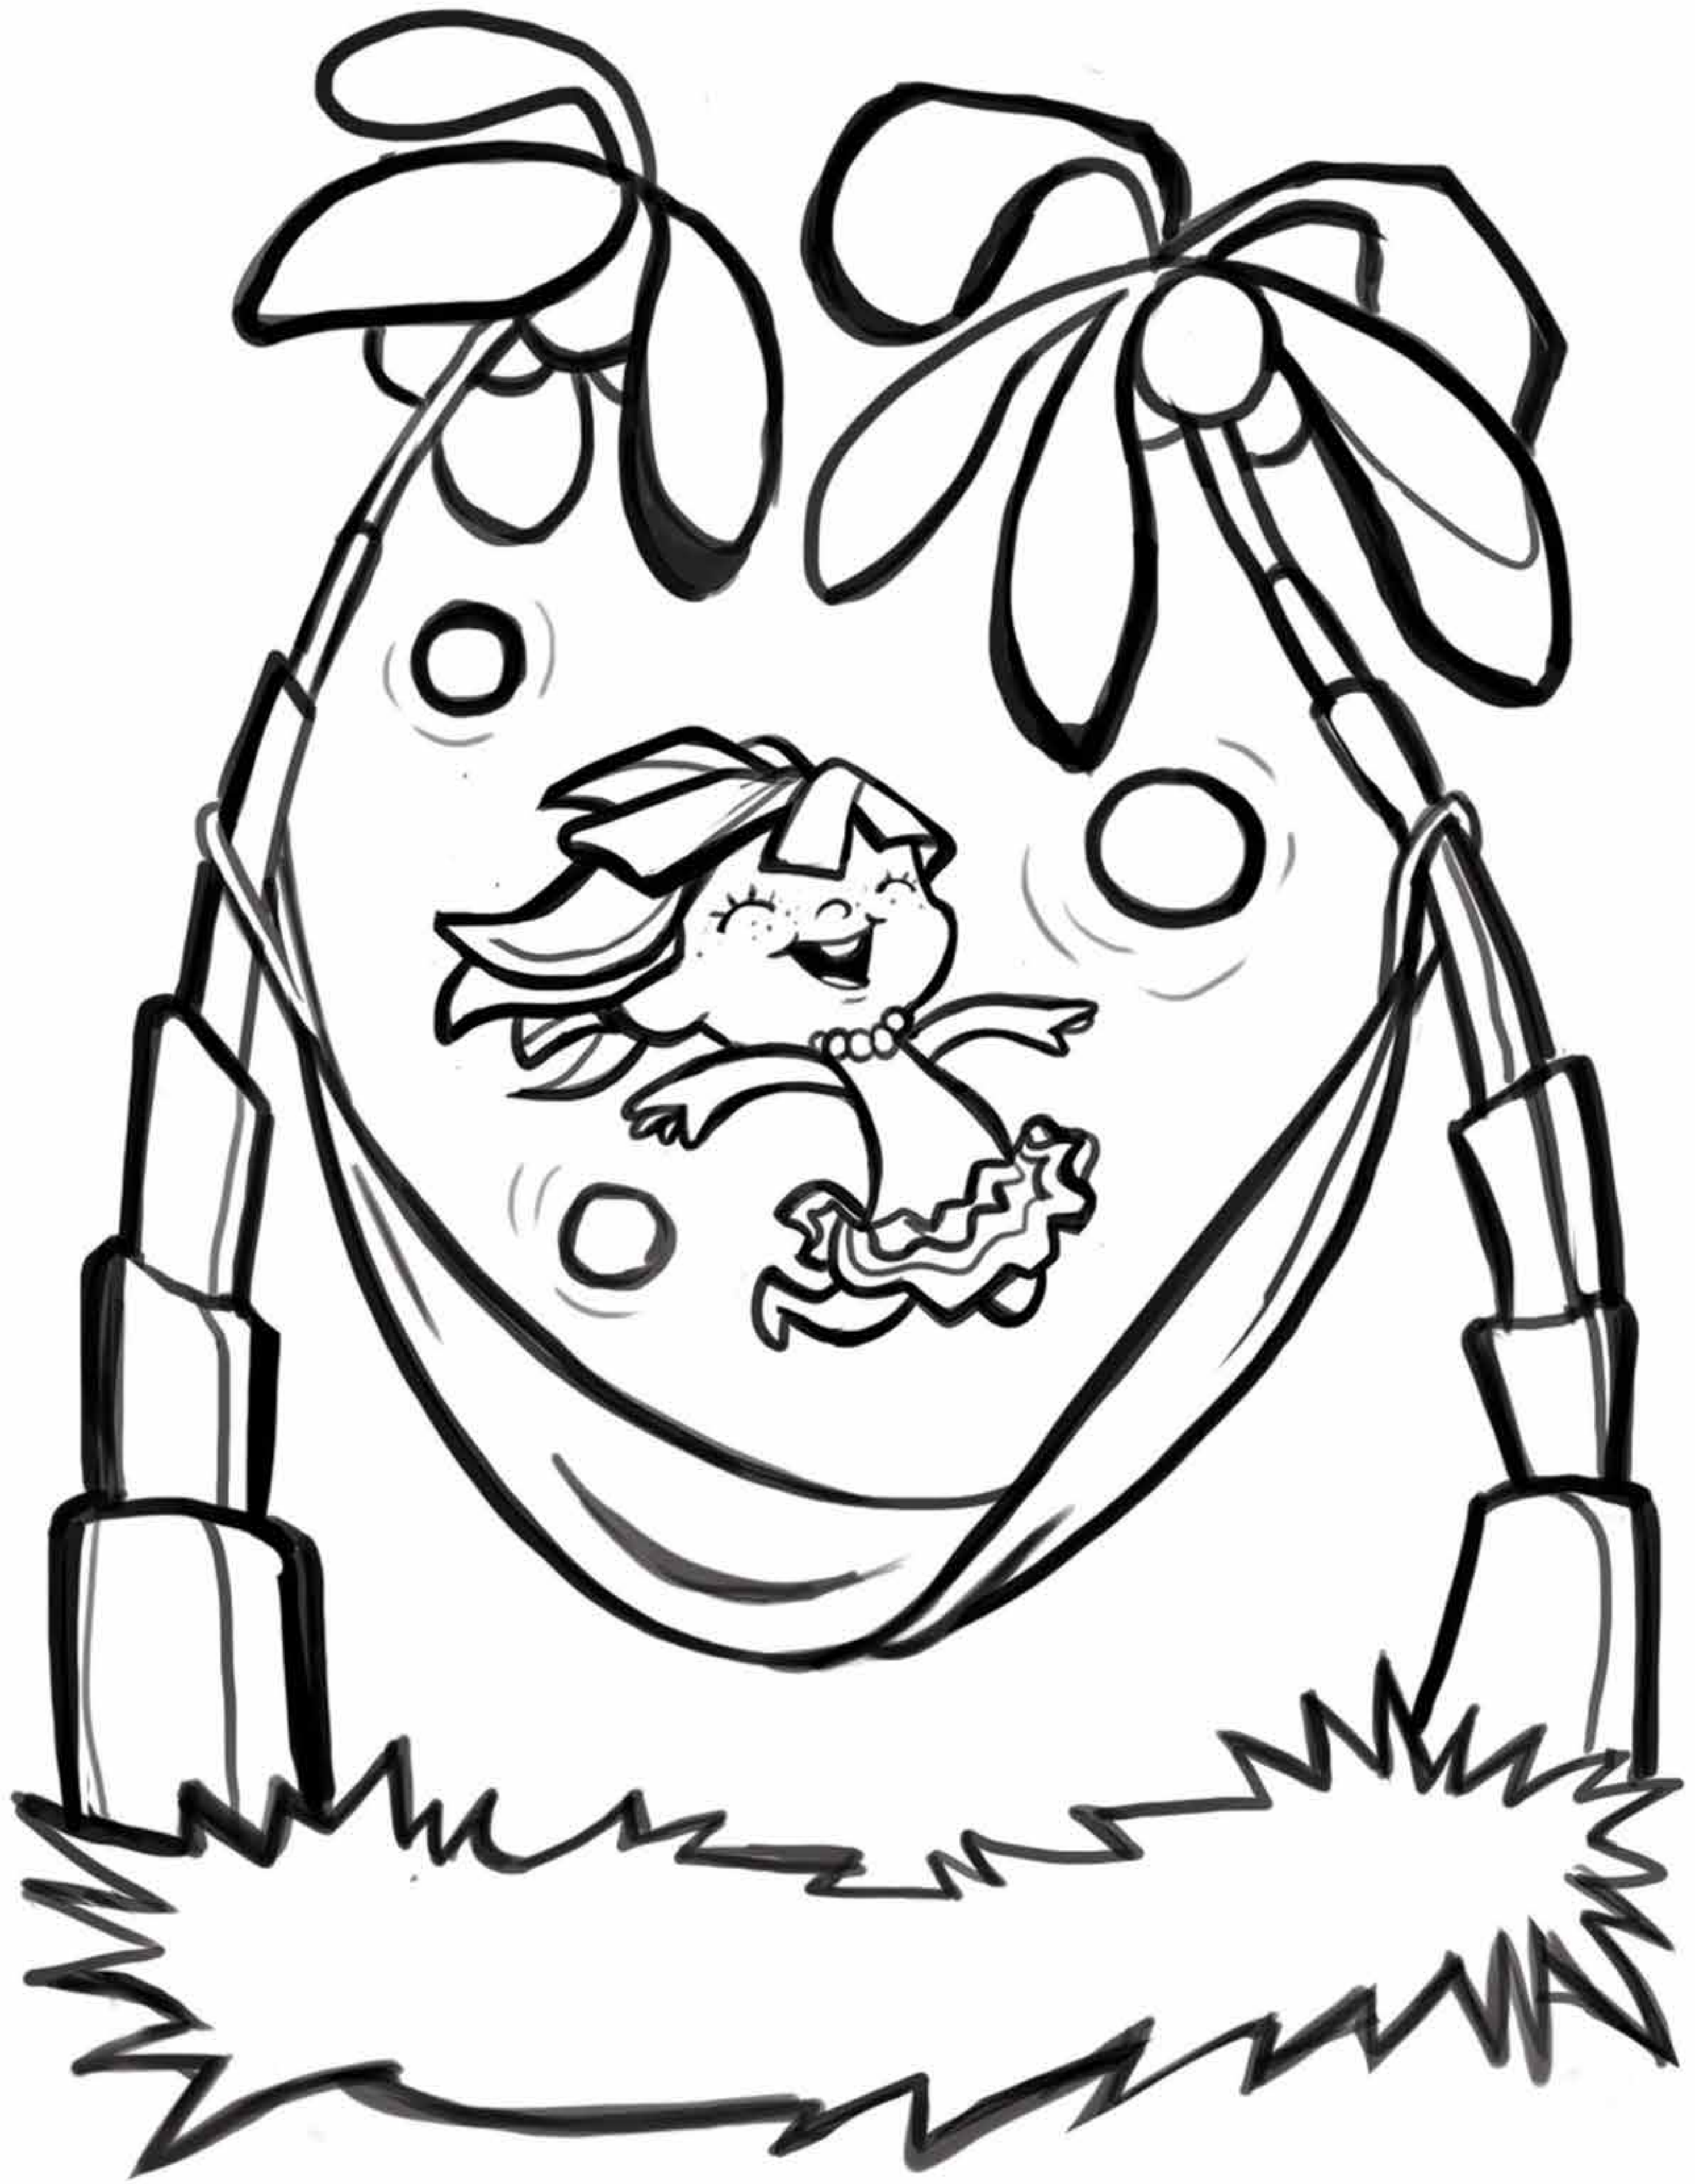

Every day's a new

ADVENTURE

that she meets with **glee!**

She likes to jump and laugh and play!

MORNING

NOON & NIGHT.

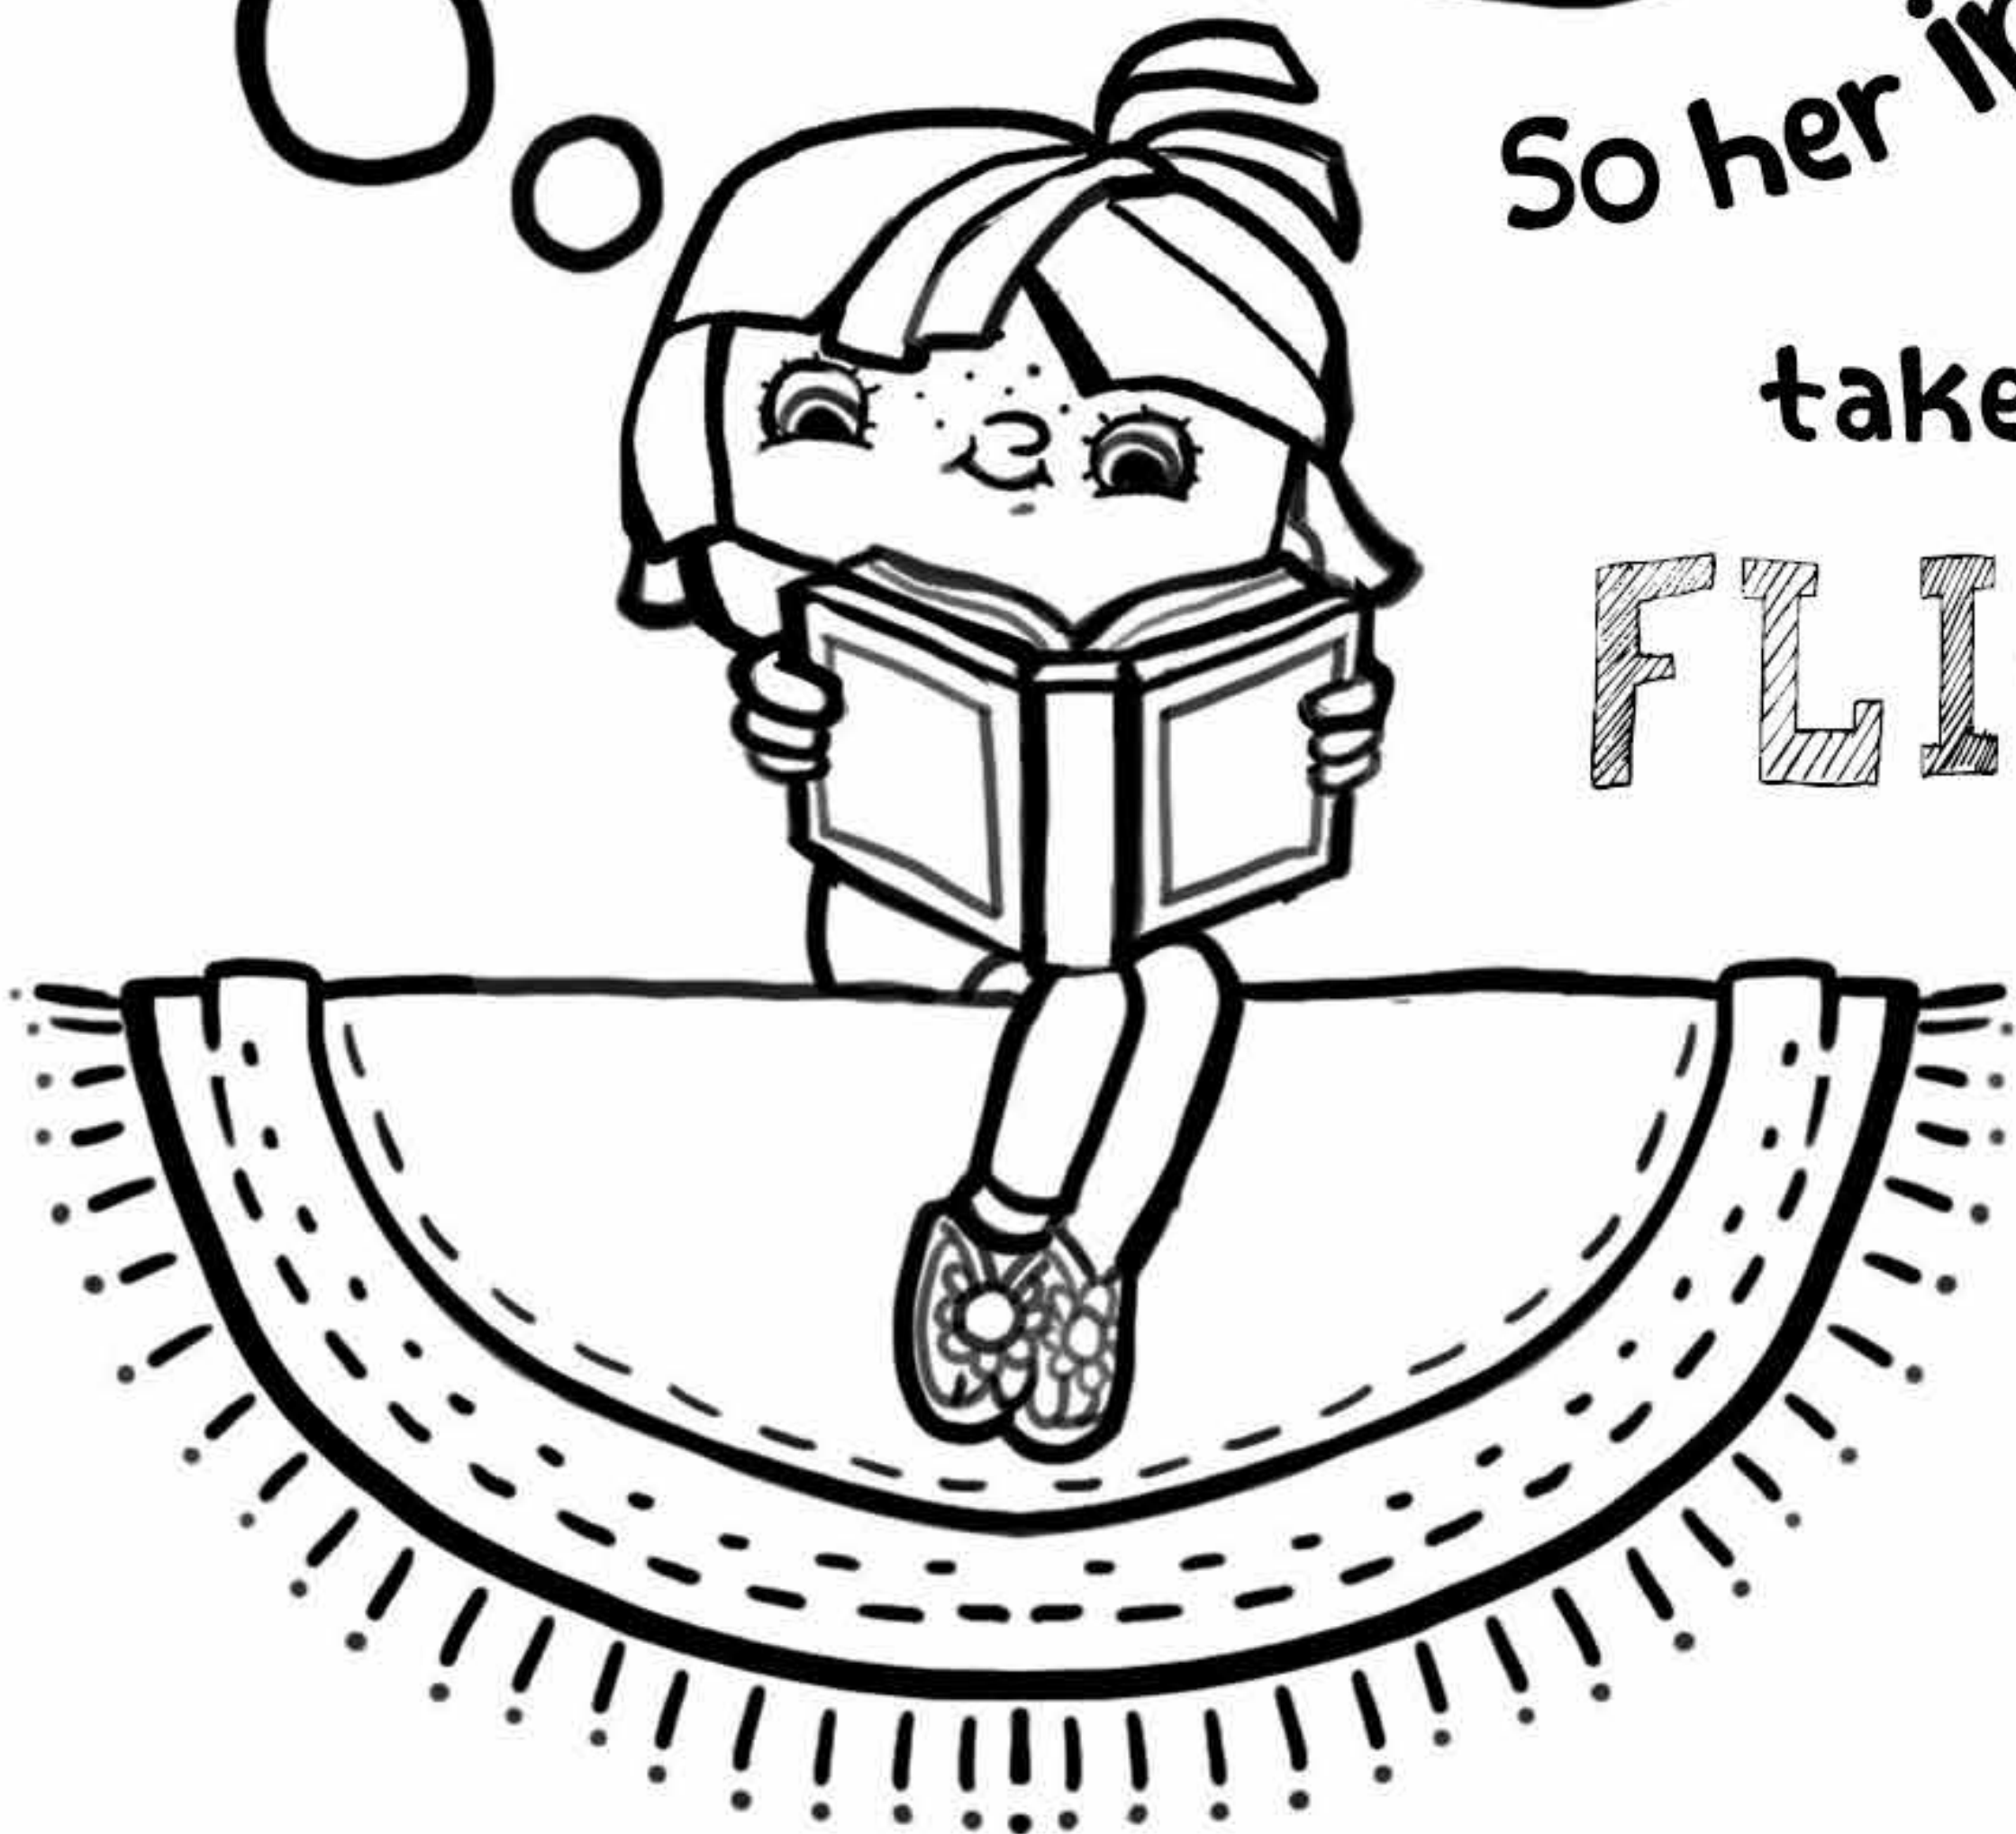

She reads her books every day

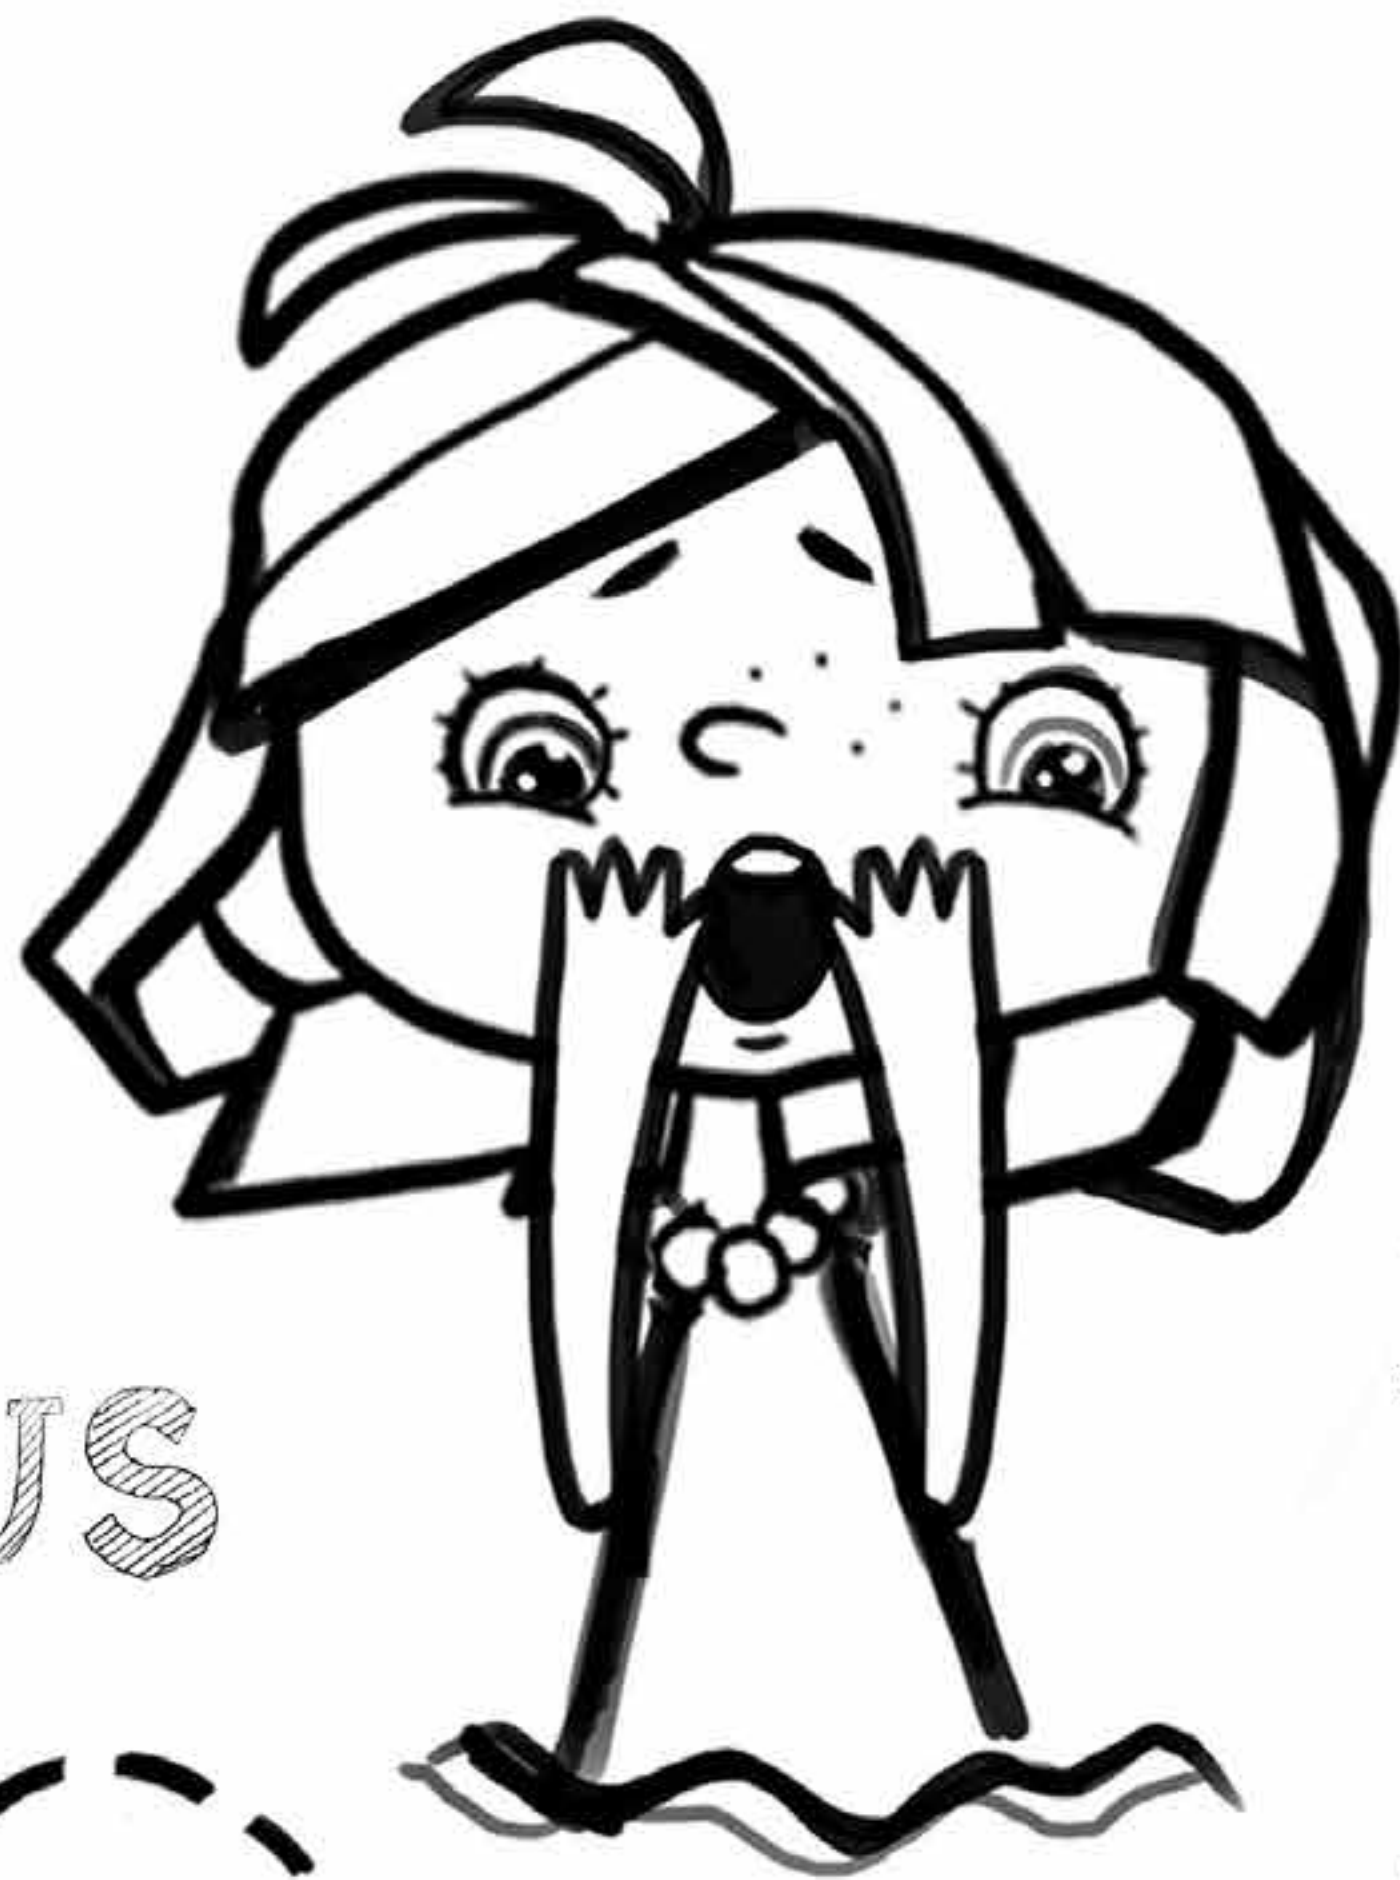

So her imagination

takes

FLIGHT!

Today she searches for her
favorite toys

OCTOPUS

DOLPHIN

CRAAB

FISH

TURTLE

She's very sad they
can't be found

and so..

She makes a **WISH!**

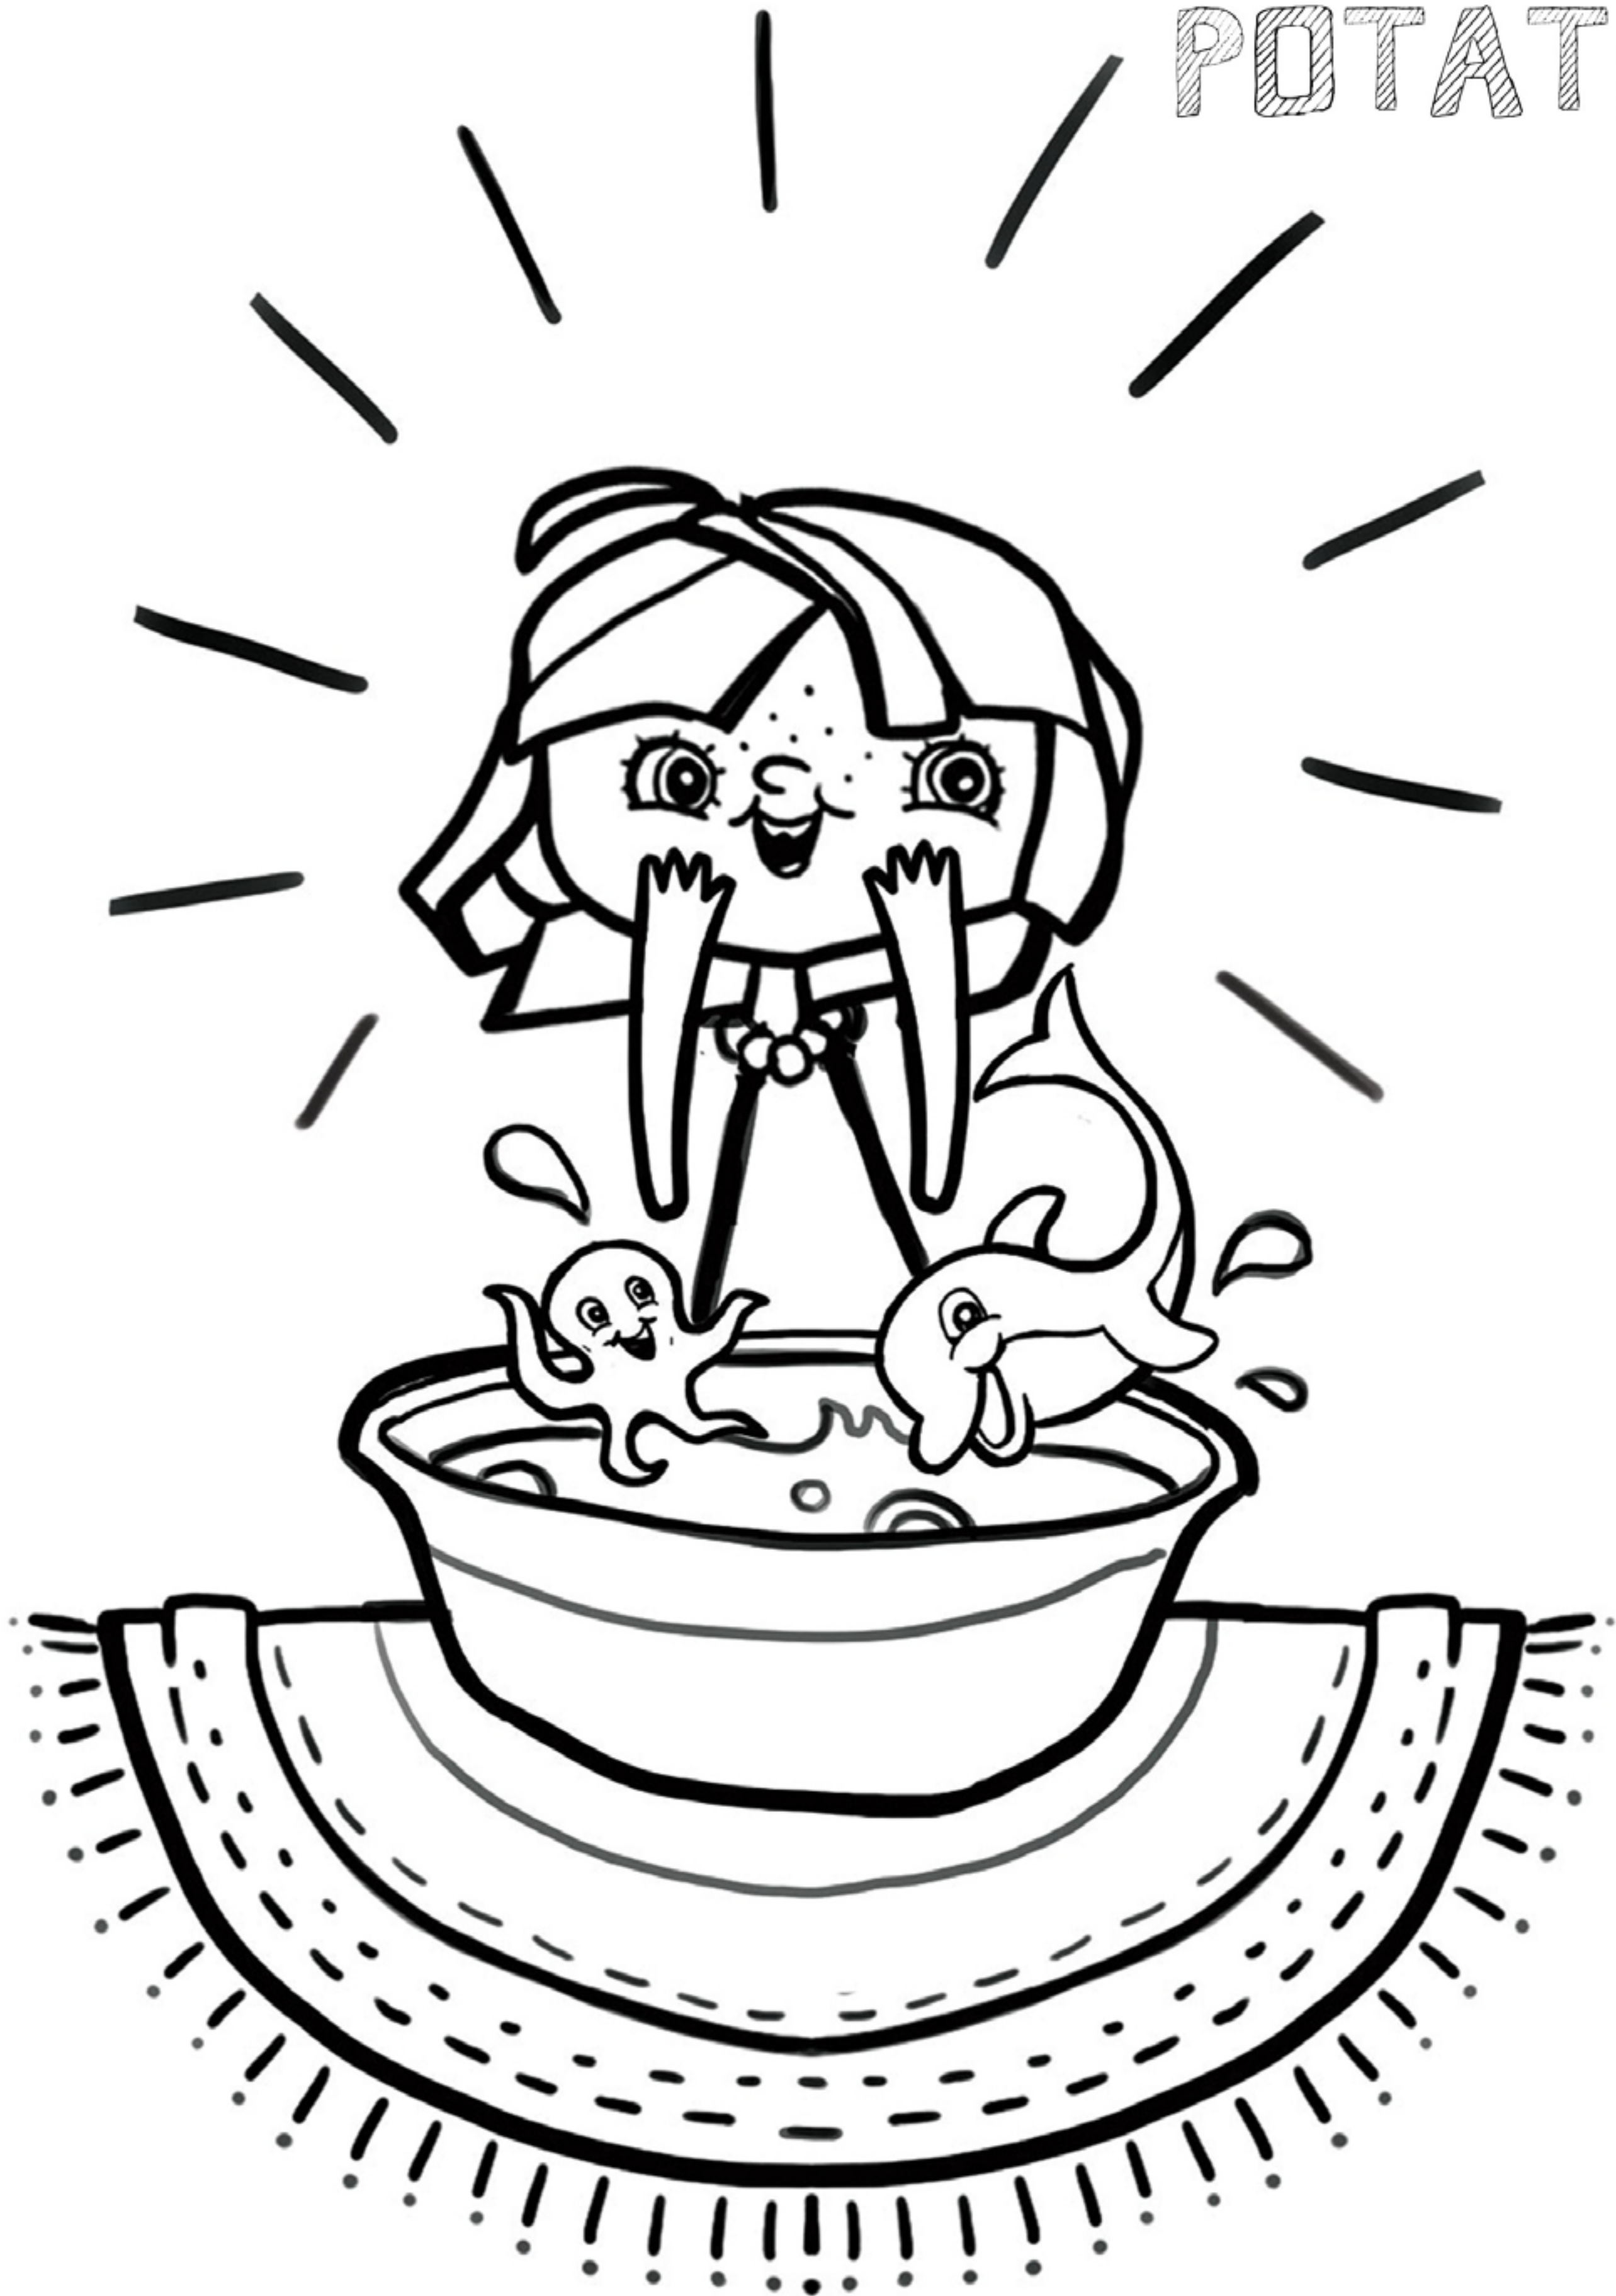

Her wish comes
true

and her pals she finds

Playing, laughing and splashing too.

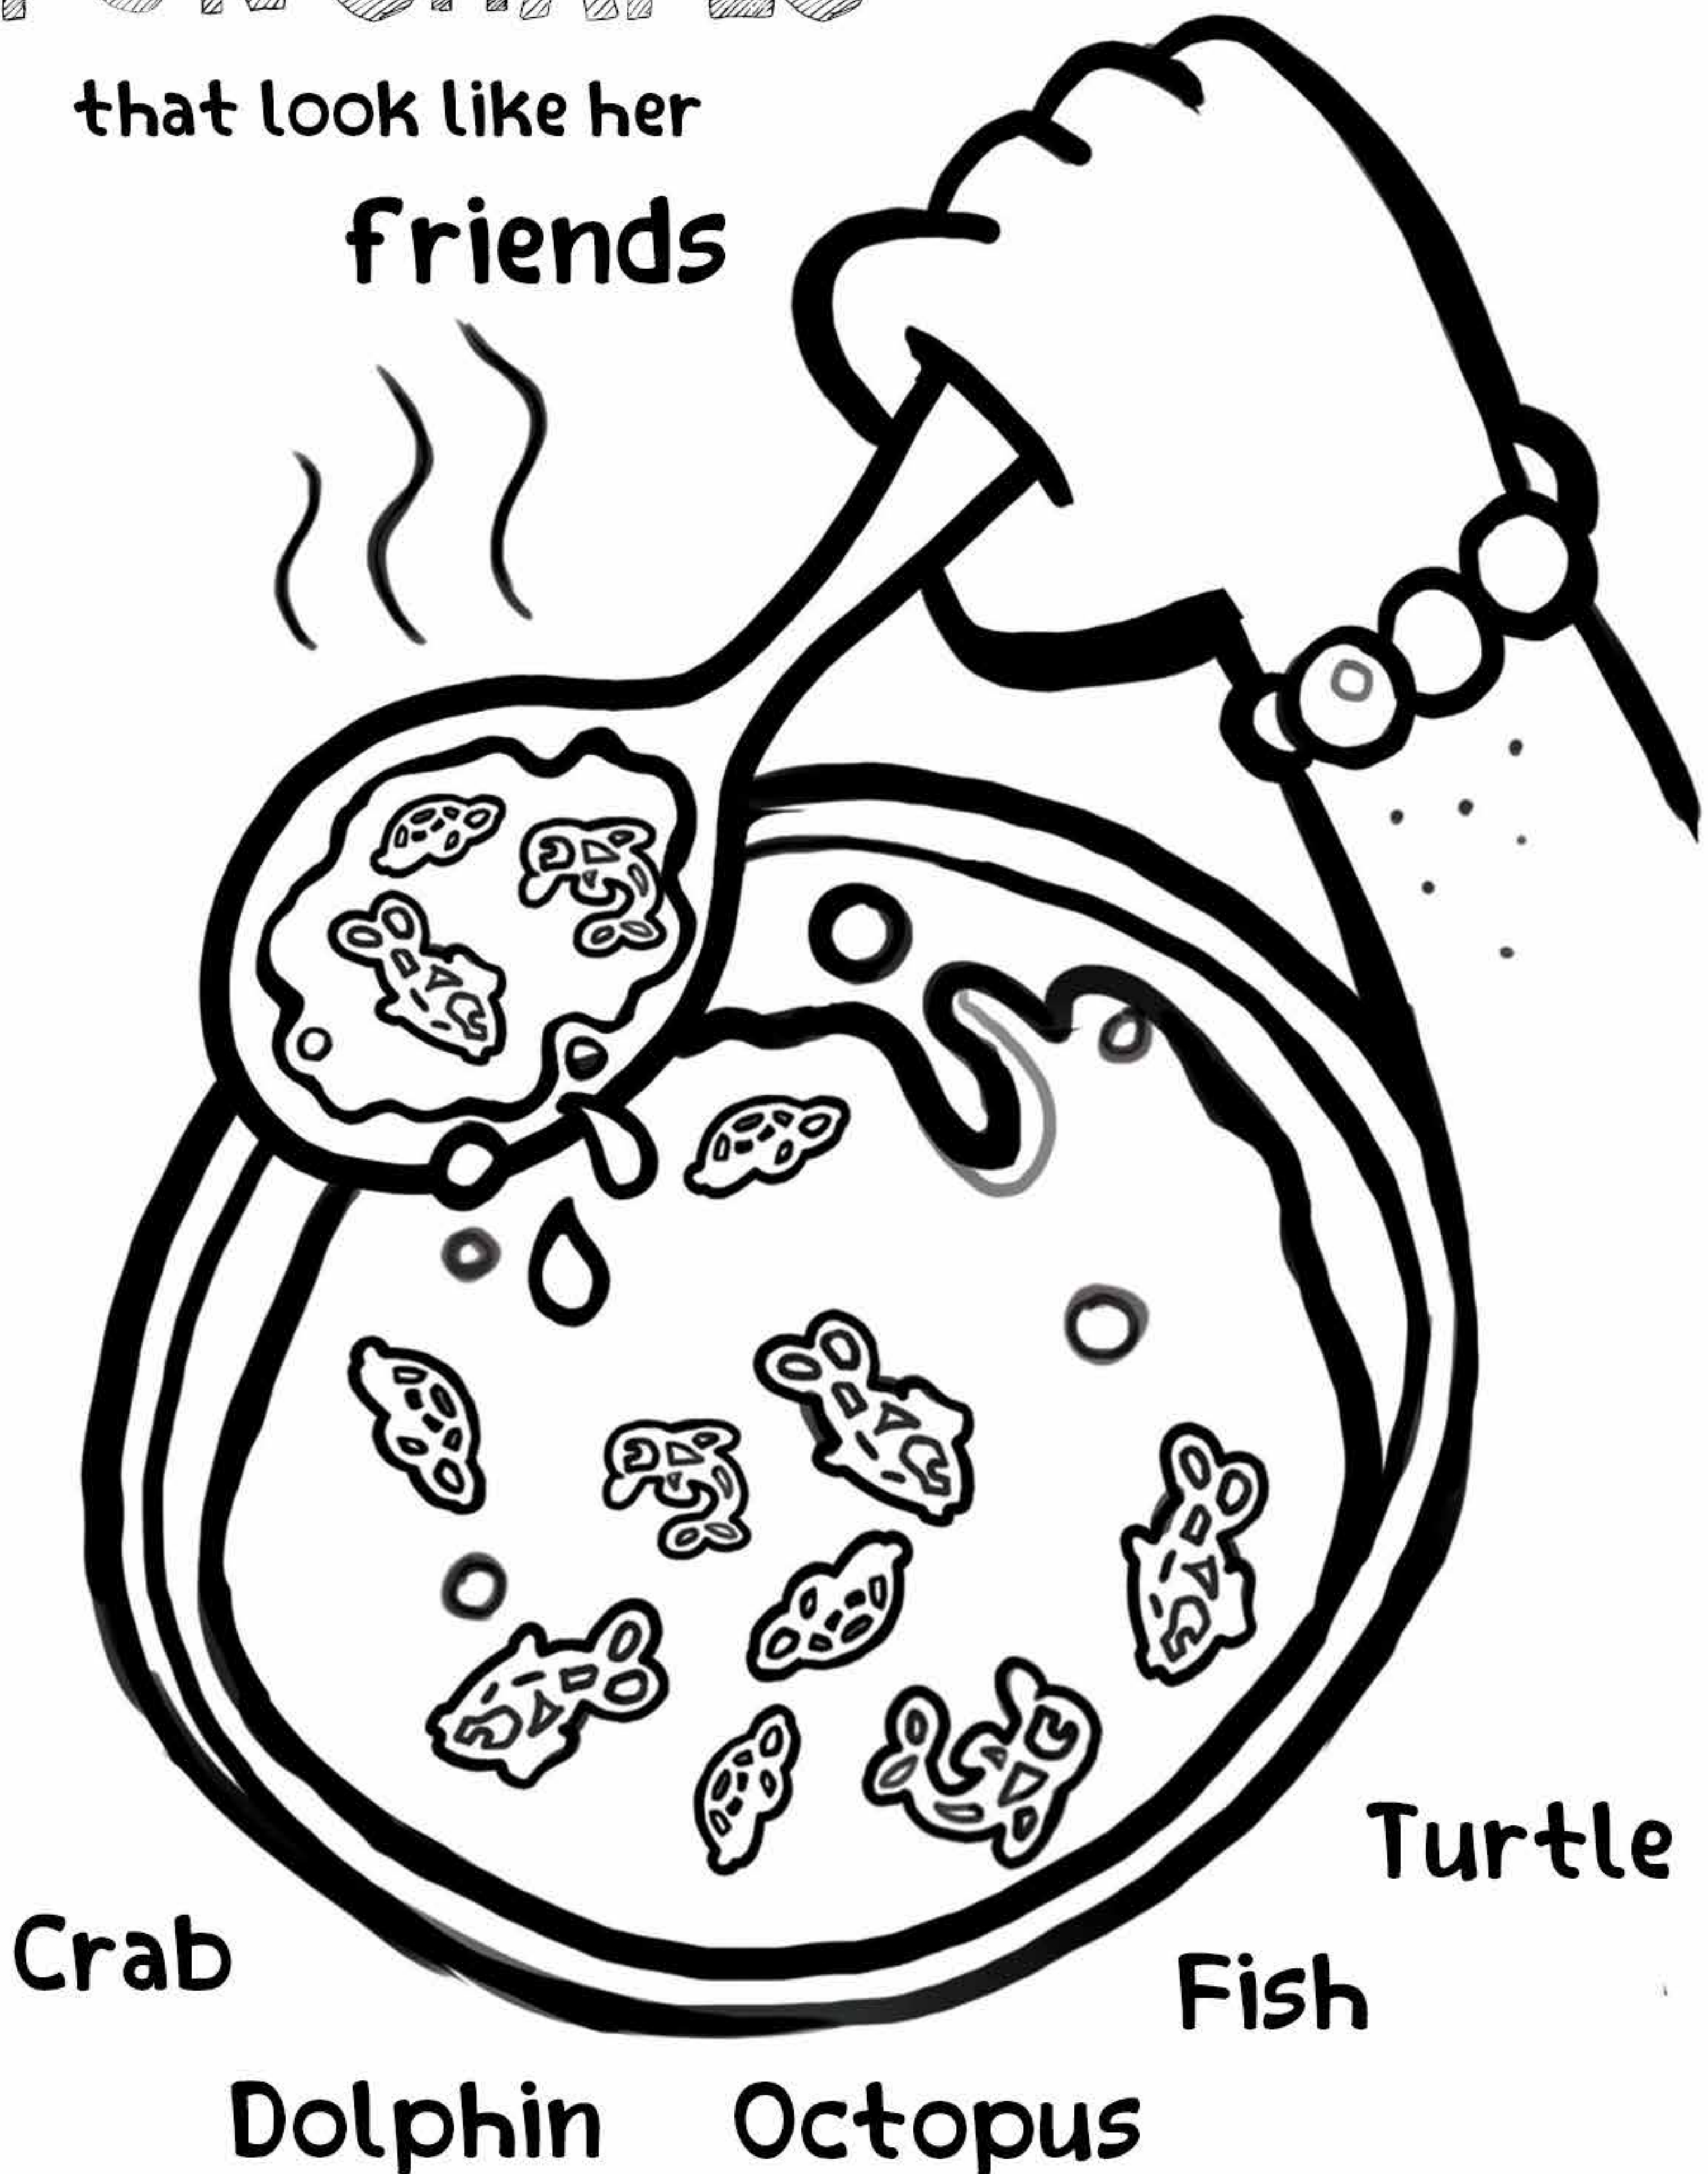

In her bowl of
soup made with **CARROTS** &
POTATOES

Soooo tasty and good for you!

It's got
FUN SHAPES

that look like her
friends

Because as they're playing in her dish...

They splash and tell her,

"IT'S NUTRITIOUS!"

And Safya says,

it's also **DELICIOUS!**
